

# Gerke Excavating Obtains Longer Service Intervals and Increases Component Life While Reducing Long Term Costs

- Rainbo Oil offers an excellent customer service experience with dependable, well trained office and sales staff that ensure product accessibility & delivery
- With a diverse product offering, Gerke is able to source all of their lubricants from one supplier, maximizing efficiency and cost savings
- Gerke Excavating was able to achieve longer service intervals without premature failures
- Working with Rainbo Oil feels like having a true partner

*“The reliability of Rainbo Oil’s products, excellent customer service, knowledgeable sales staff, and well trained delivery drivers make my job easier and more productive.”*

*“I give them a 10 and would highly recommend.”*

**Ryan Storkel,**  
Maintenance Supervisor
